School of Chinese Medicine	Bachelor of Chinese Medicine and Bachelor of Science in Biomedical Science								<i>M1/M2 not considered as an elective</i>
	Bachelor of Pharmacy in Chinese Medicine								High choice banding in JUPAS application is preferred. Taking two elective subjects in HKDSE is highly preferred. School Reference Report will be specially considered. Candidates may be required to attend an interview.
School of Communication	Bachelor of Social Sciences in Communication								High choice banding in JUPAS application is preferred. Taking two elective subjects in HKDSE is highly preferred. School Reference Report will be specially considered. Candidates may be required to attend an interview.
Faculty of Science	Bachelor of Science								
Faculty of Social Sciences	Bachelor of Arts/Bachelor of Social Sciences								For these programmes, special consideration may be given to the level requirement of the unspecified elective subject, if students have attained Level 2 or above in one of the extended module of Mathematics. Good results in science-related elective subjects are preferred. <i>Science subjects as tie-breaker; M1/M2 considered as an elective</i>
	Bachelor of Arts in Physical Education and Recreation Management								These programmes will consider Other Language subjects at Grade E or above as unspecified elective subject. Good results in Chinese Language and English Language are preferred. High choice banding in JUPAS application is preferred.
	Bachelor of Social Sciences in European Studies - French Stream								This programme will consider Applied Learning subjects relating to Physical Education in the admission selection process. High choice banding in JUPAS application is preferred.
	Bachelor of Social Sciences in European Studies - German Stream								This programme will consider Other Language subjects at Grade B or above as unspecified elective subject. Good results in English Language, French and History are preferred. Other qualifications in French will be considered. High choice banding in JUPAS application is preferred.
	Bachelor of Social Sciences in China Studies (Economics / Geography / History / Sociology)								This programme will consider Other Language subjects at Grade B or above as unspecified elective subject. Good results in English Language, German and History are preferred. Other qualifications in German will be considered. High choice banding in JUPAS application is preferred.
	Bachelor of Social Work								This programme will consider Other Language subjects at Grade E or above as unspecified elective subject. Good results in Chinese Language and English Language are preferred. High choice banding in JUPAS application is preferred.
Academy of Visual Arts	Bachelor of Arts in Visual Arts								This programme will consider Other Language subjects at Grade E or above as unspecified elective subject. Good results in English Language are preferred. High choice banding in JUPAS application is preferred. Candidates may be required to attend an interview. Interview performance will be specially considered.
Double Degree Programmes	English Language & Literature and English Language Teaching (Double Degree)								<i>10% for 2nd & 3rd elective; 5% for 4th elective; M1/M2 lower weighting than an elective</i>
	Geography / History / Sociology and Liberal Studies Teaching (Double Degree)								This programme will consider: <ul style="list-style-type: none"> Other Language subjects at Grade E or above as unspecified elective subject. The qualification "Attained with Distinction" in relevant subjects in Applied Learning as unspecified elective subject. Attainment in Visual Arts determined by the Academy.
